

KEEP ME HOME IF...

I have a fever

A temperature of 100.4°F or higher, a cough, shortness of breath or difficulty breathing, chills, muscle pain, headache, runny or stuffy nose, sore throat, new loss of taste or smell, or other signs of new illness unrelated to a preexisting condition (such as seasonal allergies)*

I have diarrhea

- 2 loose/watery stools more than normal for child in 24 hours; OR
- Any blood or mucus in stool

I'm just not feeling very good

Unusually tired, low activity level, pale, lack of appetite, cranky, or crying more than normal

I'm vomiting

2 or more times in 24 hours

I have a rash, sores, lice, ringworm, or scabies

- Body rash (not related to allergic reaction, diapering, or heat)
- Oozing open sores or wounds
- Mouth sores with drooling
- Untreated head lice, ringworm or scabies

*Fever threshold has been lowered and new symptoms have been added to align with CDC recommendations during the COVID-19 pandemic.

Questions about when your child is well enough to return to child care? Refer to: Washington Administrative Code (WAC) for Child Care and Early Learning Programs 110-300-0205 for the complete illness exclusion requirements OR CDC guidance for
