## FY25 ANNUAL REPORT

### OUR MISSION:

Lead the charge to brilliant outcomes for the children of our community by ensuring equitable access to the highest-quality learning and care.

### MESSAGE FROM OUR EXECUTIVE DIRECTOR:

As we look to the future here at Launch, we are guided by a simple truth: the tomorrow we hope for begins with how we care for children today. At Launch, our work is rooted in the belief that when all children – regardless of circumstances – are supported, safe, and nurtured in the present, they grow into a stronger, more compassionate future for us all.

This year, we remained focused on tending to the needs of the children and families we serve – meeting them where they are, listening closely, and responding with care, expertise, and unwavering commitment.

While our eyes are always on what's ahead for Launch – including exciting growth and expansion that will allow us to serve more children and families – our hearts remain firmly with the children in our care right now.

Thank you to our partners, staff, and supporters who make this work possible. Together, we are building a future grounded in equity, care, opportunity, and hope, one child at a time.
